

**Stonelike** | Selected Stones in Ceramics  
Selección de Piedras Cerámicas

Stonelike collection enriches **Contemporary Mixtures Surfaces** set by its diversity, since it discovers a precise stone selection from the world's quarries. The own material imperfections are annulled, to accentuate the intrinsic beauty of these **natural and light stones**, giving place to a set full of singular details.

This collection of cosmopolitan character stands out for its versatility, as it is presented in **big formats up to 90x90 cm** and two varieties of finish in all its timeless color range. The 3 colors the series proposes are inspired by the natural world, extending the possible combinations of the set.

La colección Stonelike enriquece el conjunto **Contemporary Mixtures Surfaces** por su diversidad, descubre una precisa selección de piedras de las canteras del mundo. Las imperfecciones propias de la materia se anulan, acentuando la belleza intrínseca de estas **piedras naturales y ligeras**, dando lugar a un conjunto repleto de singulares detalles.

Destaca por su versatilidad, pues se presenta en **grandes formatos de hasta 90x90 cm** y dos variedades de acabado en toda su gama cromática. Los 3 colores que propone la serie están inspirados en el mundo natural, extendiendo las posibilidades de combinación del conjunto.
